

Xaviar's Christmas Dinner and Holiday Cabaret

We Need a Little Christmas... Now!

These famous lyrics from the Jerry Herman Broadway musical *Mame!* are our inspiration for celebrating this holiday season. For more than 20 years we have shared a tradition of celebrating the holidays together with splendid fare, joyful song and hearty laughter. The tradition will continue this year and whether you're joining us for the 1st time or its your 20th year with us, there is no better spot to celebrate the holiday season than at our beautiful X2O Xaviars on the Hudson.
