## Jazz & Blues at Dusk begins July 3rd

We think the rain is done for a while, so it's time to come down to the waterfront on Friday nights at 6:30 PM for some great entertainment and great friends.

It all starts July 3rd with "An Infectiously Funky Pied Piper of Jazz Flute" **Keith Marks**. He is one of the leaders of the hottest musical ensembles on the scene today.

All free and on the Hudson River. (If it does rain by chance we are under the Yonkers Pier)
