

River Day 2009

The Yonkers

the first River Day ever
on 6/6/09

commemorating the
400th Anniversary of
Henry Hudson's Historic
Voyage. \$16.09 specials

There was musical entertainment all day and lots of fun, food, family entertainment, and even a doggy funbooth.

As part of the ongoing Quad Celebration Yonkers, Westchester's largest city, with 4.5 miles of riverfront, presented River Day, Saturday June 6 from 10:00 am to 4:00 pm at the water front with a celebration welcoming replicas of the original seven Hudson River flagships. The Half Moon, Cleveland, Harvey, Clearwater, Mystic, Woody and Onrust, which traveled, together with hundreds of other watercraft, from lower Manhattan through the entire length of the Hudson River. The weather cooperated with the event to make it a special celebration.
